Principal's Message

In the pursuit of excellence, Utkarsha stands as a beacon of our institution's commitment to nurturing both intellect and integrity. The essence of this newsletter lies in its name and its guiding mantra — that true progress stems from the harmonious blend of knowledge and skill.

As we celebrate the achievements, initiatives, and creativity of our students and faculty, let us remember that every step towards learning is a step towards transformation. Whether through academic endeavours, cultural expressions, or sustainability-driven projects like Vrikshabandhan and the Ran Bhaji Exhibition, our campus continues to thrive as a vibrant ecosystem of innovation and responsibility.

I encourage each one of you to contribute, collaborate, and continue this journey of excellence with purpose and passion. Let Utkarsha not just be a publication, but a reflection of our collective aspiration to grow, inspire, and lead.

Warm regards,

Dr. Bipinchandra Wadekar

Principal

LIFE LESSON

"Perform your duty with courage; success will follow you"

Human weakness arises from attachment, fear, compassion, and confusion. This is the very struggle Arjuna faced on the battlefield — the conflict between Dharma (duty) and emotions. When emotions overpower Dharma, the mind begins to justify inaction and convinces itself that duty is wrong. Such avoidance leads only to failure. In failure, we often blame others, situations, or circumstances, forgetting that the result is nothing but the fruit of our own actions and karma. For students, this teaching is vital: never escape from your responsibility, never let fear or doubt weaken your effort. Perform your duty with sincerity and focus, without attachment to success or failure. True growth comes when you concentrate on learning and action itself, not merely on the outcome.

Do not let fear or emotions weaken your duty. Success or failure is only the result of your own actions and karma. Focus on sincere effort and learning, not on the outcome.

"धैर्यानि कर्तव्य पार पाडा; यश तुमच्यामागे धावेल"

मानवी दुर्बलता ही आसक्ती, भीती, करुणा आणि संभ्रम यांतून निर्माण होते. कुरुक्षेत्राच्या रणांगणावर अर्जुनालाही हाच संघर्ष भेडसावला होता — धर्म (कर्तव्य) आणि भावना यांचा संघर्ष. जेव्हा भावना धर्मावर हावी होतात, तेव्हा मन निष्क्रियतेला योग्य ठरवू लागते आणि कर्तव्य चुकीचे आहे असे पटवून देते. अशा टाळाटाळीतून अपयशच येते. अपयश आले की आपण अनेकदा इतरांना, परिस्थितीला दोष देतो; परंतु प्रत्यक्षात परिणाम हा फक्त आणि फक्त आपल्या कर्माचा फल असतो. विद्यार्थ्यांसाठी ही शिकवण महत्त्वाची आहे. आपल्या जबाबदारीपासून कधीही पळू नका, भीती किंवा शंकेने कधीही प्रयत्न कमकुवत होऊ देऊ नका. कर्तव्य प्रामाणिकपणे आणि लक्षपूर्वक पार पाडा, यश-अपयशाची आसक्ती न ठेवता. खरी प्रगती तेव्हाच होते जेव्हा शिकण्यावर आणि कृतीवर लक्ष केंद्रीत केले जाते, परिणामावर नव्हे.

भीती वा भावना कर्तव्याला कमकुवत होऊ देऊ नका. यश-अपयश हे केवळ आपल्या कर्माचेच फल असते. निष्काम भावनेने प्रामाणिक प्रयत्न करा आणि शिकण्यावर लक्ष केंद्रित करा.

**PRACTICAL APPLICATION OF
VALUE BASED LEARNING**

World Environment Day

Tree Plantation Drive 2025

Tree Plantation Drive was organized by the NSS Unit of the College on 5th June 2025 at the Biodiversity Park. The event aimed to foster environmental awareness and encourage sustainable practices through hands-on activities among students and volunteers.

Highlights of the Programme

- 20 enthusiastic volunteers participated in the drive.
- A briefing session covered the importance of tree plantation and conservation.
- Volunteers received instructions on effective planting techniques and tree care.
- Participants took a pledge for environmental sustainability.
- Over 35 new saplings were planted at designated spots within the Biodiversity Park.

Students Experiences

- Volunteers expressed pride and satisfaction in actively contributing to the environment.
- Many students felt the hands-on activity reinforced ecological responsibility.
- The overall feedback was highly positive. 62.5% of participants rated the event "Excellent," while others marked it as "Very Good," "Good,"

Summary

The activity provided participants with a practical demonstration and hands-on learning experience in tree plantation and care.

It helped increase awareness among participants about the importance of ecological conservation and environmental responsibility.

A tangible contribution to the local biodiversity was made through the plantation of 35 new trees.

The programme also strengthened participants' commitment to sustainability and the adoption of green practices in their daily lives.

Looking Ahead

The NSS Unit plans to integrate tree plantation and other environmental activities as a regular feature of the academic calendar.

Continuous engagement and follow-up activities will be undertaken to ensure proper care and growth of the planted saplings.

In the coming years, broader participation and more initiatives are envisioned to expand environmental education and collective action for sustainability.

International Yoga Day

On 21st June 2025, College organized a special yoga session in observance of International Yoga Day. The event was held in the college's Badminton Hall and promoted physical and mental well-being by encouraging the practice of yoga among students.

Highlights of the Programme

- 60 students participated enthusiastically in the session.
- Guided by Ms. Rishika Kadam, an experienced yoga trainer and international gold medalist.
- Various yoga asanas and breathing techniques were demonstrated and practiced.
- The event focused on "One Health, One Earth" as its central theme.
- Each participant actively engaged in stretching, breathing, and mindfulness exercises.

Students Experiences

- Students reported feeling relaxed and refreshed after performing yoga.
- Many expressed motivation to integrate yoga into their daily routines for sustained wellness.
- The presence of a skilled trainer inspired students to learn correct postures and breathing habits.
- Positive community spirit and encouragement were noted throughout the event.

Summary

The session enhanced awareness among participants about the health benefits of regular yoga practice.

Students experienced noticeable improvement in both physical fitness and mental wellness.

Many participants reported greater mindfulness and stress relief as a result of the practice.

The event also motivated students to continue yoga beyond the programme and adopt it as part of a healthy lifestyle.

Looking Ahead

The college aims to organize more wellness-oriented events, including workshops and regular yoga sessions.

Students will be continuously encouraged to maintain a healthy mind and body through the sustained practice of yoga.

The long-term focus is on building a campus culture that promotes holistic well-being and integrates mindfulness activities into everyday student life.

FIELD VISIT

Samyukta Maharashtra Museum and Chaitya Bhoomi

On 19th July 2025, 27 students of TYBA from College undertook an educational visit to the Samyukta Maharashtra Museum and Chaitya Bhoomi in Dadar, Mumbai. The program facilitated learning about Maharashtra's rich cultural, historical, and socio-political evolution, as well as the life and ideals of Bharat Ratna Dr. Babasaheb Ambedkar.

Highlights of the Programme

- Students explored curated exhibits and interactive displays at Samyukta Maharashtra Museum, gaining deeper insights into the state's history and development.
- The visit to Chaityabhoomi, an iconic site dedicated to Dr. Babasaheb Ambedkar, provided personal reflection on social justice, equality, and democracy.
- The program concluded with a vote of thanks and group photographs, marking a successful and memorable visit.

Students Experiences

- Students engaged actively with exhibits and appreciated the opportunity to discuss Maharashtra's legacy.
- Many felt inspired by Dr. Ambedkar's message and legacy, expressing renewed commitment to ideals of equality and democracy.
- The interactive format of the tour fostered curiosity and critical thinking about socio-political change.

Summary

The visit enhanced students' understanding of Maharashtra's socio-political history and rich cultural heritage.

It deepened their appreciation of Dr. B. R. Ambedkar's invaluable contributions to Indian society.

Participants strengthened their values of justice, equality, and democracy through the insights gained during the programme.

The experience also created lasting memories by combining educational engagement with opportunities for team bonding.

Looking Ahead

The college plans to organize more field visits to museums and heritage sites to provide students with experiential learning opportunities.

There will be continued efforts to promote the values imparted by social reformers and cultural leaders.

FIRST YEAR ORIENTATION PROGRAM 2025

Celebrating Fresh Beginnings

On June 20, 2025, the college proudly hosted its Orientation Day for First Year students. The event, held in Room NR 123, brought together enthusiastic new entrants and faculty members, all ready to embark on an exciting academic journey at the College.

Highlights of the Programme

- The event opened with a student invocation, creating a calm atmosphere.
- Principal Dr. Bipinchandra Wadekar shared the college's vision of excellence and holistic growth.
- Departmental presentation introduced curriculum, faculty, labs, and resources.
- Activities report highlighted projects, workshops, competitions, and upcoming events.
- A vote of thanks concluded the programme on a positive note.

Students Experiences

- New students felt welcomed and informed.
- Sessions clarified expectations and encouraged active participation.
- The event built enthusiasm for future departmental activities.

Summary

The Orientation Day succeeded in familiarizing students with the college's academic structure and student initiatives. Freshers reported a strong sense of belonging and clarity about how to navigate their journey through the Computer Science department. Faculty noted elevated enthusiasm and active engagement far beyond the event itself.

Looking Ahead

With a vibrant community now in place, our college encourages all FY BSc Computer Science students to dive into their studies, embrace co-curricular opportunities, and shape the future of technology and innovation. Stay tuned to the newsletter for updates about forthcoming events, achievements, and departmental milestones.

STUDENT PARTICIPATION IN NATION BUILDING

Celebrating Student Leadership

On July 16, 2025, College organized an inspiring event highlighting the pivotal role of student movements in nation-building. Held in Conference Room NR-009, the program welcomed 96 enthusiastic students and faculty. Dr. Varadraj B. Bapat, Head of Management at IIT Mumbai, delivered a keynote addressing civic responsibility, leadership, and social engagement.

Highlights of the Programme

- Address by Dr. Varadraj Bapat
- Interactive activities and feedback
- 96 students participated with active faculty engagement
- Gained information about rich tradition of ancient India

Students Experiences

- Inspired towards civic responsibility
- Pride in contributing to society
- Interest in future civic/leadership initiatives

Summary

The National Student Movement Participation 2025 program at our college was designed to promote awareness about the essential role that student activism plays in nation-building and to motivate young people to adopt leadership roles and social responsibilities. The initiative featured an inspiring keynote address that left a memorable impression on participants, particularly by Dr. Varadraj B. Bapat from IIT Mumbai, prompting students to consider their societal obligations more deeply.

A significant outcome of the event was the enhancement of civic consciousness and the instillation of a sense of duty among students. Many participants expressed a renewed sense of pride in their capacity to contribute to society. The program succeeded in fostering leadership, empowerment, and an inclusive environment for both students and faculty, thereby strengthening the foundation of campus engagement.

Looking Ahead

Looking ahead, this initiative acts as a catalyst for regular student involvement in nation-building endeavors. It has inspired our College to plan future activities focusing on student leadership and progressive societal contributions, ensuring the next generation continues to grow as responsible, engaged citizens.

ENTREPRENEURSHIP CELL - Igniting Innovation

Inspiring Bold Ventures, Empowering New Ideas.

On July 18, 2025, the college hosted the official launch of the Entrepreneurship Cell and a keynote session by Principal Dr. Bipinchandra Wadekar. 45 students attended this evening of motivation, vision, and interactive discussion focused on innovation, growth, and start-up culture.

Highlights of the Programme

- Introduction to the new Entrepreneurship Cell and its objectives
- Workshop and mentorship session previews
- Clear leadership vision for innovation and growth

Students Experiences

- Clear path to academic and entrepreneurial growth
- Eagerness to join cell activities
- Felt encouraged to develop startup ideas and real-world skills

Summary

On 18th July 2025, our College's Entrepreneurship Cell organized a special session titled Principal's Talk. The event aimed to promote entrepreneurial thinking and innovation among students by encouraging them to explore creative ideas and practical problem-solving. The Principal's address underscored the importance of academic commitment, personal growth, and leadership, motivating students to engage more deeply with their college journey.

The session also marked the official introduction of the college's Entrepreneurship Cell. Ms. Dharni Shankar Mudaliyar presented the Cell's vision to nurture creativity, startup thinking, and leadership through diverse activities including workshops, pitch sessions, and mentorship initiatives. This move sparked substantial enthusiasm within the student community, with participants expressing a keen interest in being part of upcoming E-Cell activities and exploring real-world entrepreneurial skills.

Looking Ahead

Feedback from the students was overwhelmingly positive. Attendees found the Principal's Talk inspiring and informative, appreciating the clear guidance for academic and personal advancement. The event not only fostered motivation and direction but also established a collaborative foundation for innovation and leadership within the college. The Entrepreneurship Cell initiative promises to open new avenues for skill development and student-driven endeavors moving forward.

SEMINAR: INDIAN MANAGEMENT THOUGHTS—VALMIKI RAMAYAN

Celebrating Fresh Beginnings

On July 18, 2025, College organized a seminar exploring Indian Management Thoughts through the lens of the Valmiki Ramayan. Held in Seminar Hall NR-009, this event engaged 98 students and faculty in insightful learning. Ms. Anushka Mishra was the resource person, providing connections between ancient epics and current management practices.

Highlights of the Programme

- Formal introduction by Mrs. Sharmila Karve, explaining the value of ancient scriptures in human behavior and leadership.
- Ms. Anushka Mishra delivered a thought-provoking talk linking lessons from Valmiki Ramayan to leadership, ethics, loyalty, and strategic thinking.
- Real-life examples and interactive discussion clarified parallels between epic characters and management roles.
- 98 student participants, plus faculty and special guests.

Students Experiences

- Participants found the topic engaging and insightful.
- Students appreciated exploring Indian texts from a management perspective.
- Many expressed keen interest in attending future culturally enriching seminars.

Summary

The seminar successfully bridged the gap between ancient Indian wisdom and contemporary management. Students developed a deeper appreciation for integrating traditional philosophies into modern leadership and ethics. Critical thinking and curiosity about cultural knowledge saw a marked increase.

Looking Ahead

College will continue to offer seminars blending cultural heritage with professional development. Forthcoming initiatives aim to cultivate leadership, instill core values, and demonstrate the real-world relevance of ancient wisdom among students.

RAKHI MAKING WORKSHOP 2025

Blending Tradition & Entrepreneurship

On July 28, 2025, the Entrepreneurship Cell of our College organized a hands-on Rakhi Making Workshop in Room NR-123. Forty students participated enthusiastically from 3:00 PM to 7:00 PM, creatively crafting eco-friendly rakhis while exploring entrepreneurial opportunities tied to festive culture.

Highlights of the Programme

- Welcome by Ms. Laxmi Singh, followed by briefing from Ms. Dharani Shankar Mudaliyar.
- Motivational introduction by Dr. Rupesh Patil emphasizing skill, culture, and entrepreneurship.
- Encouragement from Principal Dr. Bipinchandra Wadekar about cultural skill initiatives.
- Hands-on rakhi crafting session led by Ms. Aanaya Rocky.
- Vote of thanks by Mr. Sufiyaan Sutar and National Anthem conclusion.
- Active participation by 40 students blending creativity and business ideas.

Students Experiences

- Participants found the topic engaging and insightful.
- Students appreciated exploring Indian texts from a management perspective.
- Many expressed keen interest in attending future culturally enriching seminars.

Summary

The workshop effectively enhanced creativity, teamwork, and entrepreneurial spirit. It promoted the concept of festive entrepreneurship and helped students explore turning traditional craft into small-scale business opportunities.

Looking Ahead

The workshop successfully enhanced students' creativity and hands-on skills, promoting festive entrepreneurship and teamwork. Students appreciated the opportunity to express creativity and found the experience valuable and enjoyable. Many shared that the session inspired ideas for starting small festive businesses and boosted their confidence in presenting handmade products.
